Lecturer	Ts Mohd Zulkifli Mohd Zaki		
Semester/Year	2/2025	Submission Date	Week 12 (Monday, 23 June 2025, before/at 11:59 pm)

Self-Reflection Assessment Form

Group Name : _____ **GROUP-F03** _____

Student Name : _____ MD PARVEJ AHMED RAFI _____

Student ID : _____ AIU23102301 _____

Instructions:

Please complete this self-assessment honestly and thoughtfully. Your responses will help assess your understanding and application of ethical principles during group collaboration.

Part A: Reflection on Your Role and Responsibilities

1. Describe your role and responsibilities in the group project.

What specific tasks were you assigned, and how did you carry them out?

_____ I did the survey form , while making the survey I inquired many things and tale the response from the specific stakeholders ethically and collaborate with group member how to differentiate the functional and non functional requirements , which functions need to added which one not and collaborated with group member to make the report perfect and helped _____ completed mytask _____

2. How did you ensure that your contributions respected the ethical principles of transparency, accountability, and fairness?

_____ Yes, there were moments where the distribution of tasks felt uneven, particularly in the early stages of the project. Some members faced challenges with certain tasks due to their complexity, while others had a lighter workload. To address this, I actively participated in group discussions to help reassign tasks more equitably and supported teammates by offering assistance where needed. By fostering open communication and collaboration, we were able to resolve these concerns fairly, ensuring that everyone contributed _____ equally _____ to _____ the _____ project's success. _____

3. Did you face any ethical challenges during the project (e.g., disagreements, workload imbalance, fairness concerns)? If so, how did you respond?

_____ NO i didnt faced we were good at collaborating and helped each other _____

Part B: Group Ethics and Dynamics

4. How well did your group apply ethical practices in collaboration (e.g., respectful communication, fair task distribution, handling conflicts)?

_____ yes they handles their part ethically and and by giving their best efforts _____ and _____ I _____ also _____ helped _____ them _____ as _____ a _____ group _____ leader _____

5. What would you do differently in future group projects to improve your ethical contribution?

_____ I will try to work more and will gain experience more from my groupmates _____ and _____ try _____ to _____ be _____ more _____ perfect _____

Part C: Self-Evaluation (Rate yourself)

Rate your performance in the following areas using this scale:

5 – Excellent | 4 – Good | 3 – Fair | 2 – Poor | 1 – Very Poor

Criteria	Rating (1–5)	Justification (1–2 sentences)
Task Fulfillment	5	I think I did well
Ethical Behavior	5	my behavior was good
Communication	4	I think I was good but not best
Collaboration	5	collaborated online and offline as a group leader
Accountability	4	don't know maybe good

Part D: Declaration of Originality

I hereby declare that the information provided in this self-reflection form is true, accurate, and reflects my honest evaluation of my contributions and ethical conduct during the group project.
